

About the Enterprise Europe Network

Launched in February 2008 by the European Commission, the Enterprise Europe Network offers its support especially to small and medium sized enterprises (SMEs) and institutes in Europe. All activities of the network aim at promoting innovation and competitiveness in Europe. The Enterprise Europe Network includes more than 600 organisations in the 27 member states and beyond.

Business Support on Your Doorstep

Technology Dating

pre-arrange your meetings at IFAT ENTSORGA 2012

7-11 May 2012 | Munich, Germany

Find your best business partner:

www.b2match.eu/ifat2012

How it works

Register online and **publish** a short profile describing your request: The technology, the product, the service or the cooperation partner you are looking for.

Browse the online-catalogue to find interesting profiles. Professional search facilities will lead you to your best match.

Request individual meetings. Vice versa, other participants will request meetings with you.

Arrange a technology date via the internet platform and meet at IFAT ENTSORGA 2012.

On request, your local Enterprise Europe Network Partner will assist you in creating profiles as well as in making appointments.

Deadline for registration: 15 April 2012

Participation is free of charge

How can you benefit?

As a visitor you can use the platform to draw attention to your individual request or cooperation offer. As an exhibitor you have the opportunity to invite selected meeting partners to your booth.

When will the meetings take place?

Your meetings may be scheduled at any time during IFAT ENTSORGA, depending on your individual preferences and availability.

Where will the meetings take place?

Define your meeting place, e.g. your trade fair stand, via the internet platform. On request, the organisers will provide meeting areas for you.

Support is provided by your local Enterprise Europe Network Partner.

IFAT ENTSORGA is the world's leading trade fair for Water, Sewage, Waste and Raw Materials Management
